

The Sounds Of Nyc
Corey Crowder

I got really fed up with not being able to see the chords and the lyrics at the same time.

So here s the chord progression and my first try ever doing this.

Let me know if you have any corrections!

-EMayberg

THE SOUNDS OF NYC
Corey CROWDER
Standard Tuning: EADGBE

Chords:

Em7 022033
Am 002210
G 320033 (or 320001 whichever you prefer)
D 000231
C 032010
Cadd9 032030 (sounds fine with 032033 as well)

Intro: **Em7 Am G D**

(He hammers on that high E a lot so that shouldn t be too difficult to do)

Verse 1:

Em7 **Am**
Without a sound the streets beneath her,
G **D**
push aside to show us whats below
Em7 **Am**
And the shocks subside shortly after,
G **D**
Was she alive? Only time can know.

Bridge:

Cadd9
But you cant relive the past (can t relive the past)

Chorus:

G **Cadd9**
She is stuck in the city lights
Am **C** **D**
Taking a chance on reliving those nights
G **Cadd9**
She s stuck in the city lights
Am **C** **D**

Just waiting for something to finally to turn out right

Verse 2:

Em7 **Am**

The way the wind carried on

G **D**

The thousand conversations that it had beneath it

Em7 **Am**

It shocked our lips and chilled our bones

G **D**

She got a glimpse of what she left behind

Bridge:

Cadd9

But you cant relive the past (can t relive the past)

((Chorus))

C **G**

Who can think the time it started turning (started turning)

C **G**

And who can find out why shes not returning (not returning)

C **G**

I can t find a trace of what she s missing (what she s missing)

C **D**

She may be decide to be...forever

((Chorus))
