

Let Me Love You On A Backroad
Corey Smith

G Chord: 500003

D

I ve been down this road before.

It s like the back side of my hand.

And there ain t nothing up ahead

but cow pasture and timberland.

Don t you worry baby I m gonna take it nice and slow.

I ll keep a tight grip on the steering wheel and my eyes on the road.

G

Just this one time,

D

I promise I won t ask again.

It ll be our little secret,

honey I won t tell a soul

and if I see somebody coming I ll be sure to let you know.

Everybody does it, don t you be ashamed.

Bm

We ll still make the movie, we ll just be a little late.

Chorus:

G

And let me love you on a backroad.

Bm

A

Let s make a wreckless memory.

Bm

G

There ain t a house within ten miles of here, no.

Bm

A

So nobody s gonna see.

A

Take your seatbelt off and climb on over here girl,

D

leave the driving up to me.

D

If we get too hot and heavy there s a place where we can go.

Down this worn out hunting trail a half mile off the road.

And we might not make it back there in this little two wheel drive.

But judging by the way you re kissing me it s at least worth a try.

D

I ll turn this Mustang into an F250 4x4.

If they catch us back there we ll probably go to jail.

But I d clear out my bank account and gladly pay the bail.

And I promise I ll still love you, and maybe even more.

Bm

I won t think bad about you girl, I know you re not a whore.

Chorus:

G

And let me love you on a backroad.

Bm

A

Let s make a wreckless memory.
