

Another Rainy Day
Corinne Bailey Rae

[illegible]

Bm7
You wrote a ballad
E7 **Am7**
We dined on oysters and champagne
D7
That s it seemed like
Bm7 **E7**
We connect in so many ways
Am7 **D7**
So easy, I must say

Bm7 **E7**
Why am I so shy around you?

Am7 **D7**
Why am I so shy?

Bm7 **E7**
Why do I take care to astound you?

Am7 **D7**
Why do I even try?

(play the rest of the song just like the i showed you above)

Another rainy day
We sat inside by the radiator
Watching old black and white films
Where everybody sang

You played in my solitude
 Didn't get dressed til two
 The rain says all
 I wrote this song on my guitar
 But it didn't turn out right
 So we just connected in other ways
 So easy, I must say

Why am I so shy around you?
Why am I so shy?
Why do I take care to astound you?
Why do I even try?

Why am I so shy around...?

Why am I so shy?

Why do I take care...?

Why do I even try?
