Seems like everyone else has a love just for them,

**A7+** **F#m7**

I dont mind, we have such a good time,

**B7** **Bb7+**

My best friend,

**A7+**

but sometimes, well,

**F#m7** **B7** **Bb7+**

I wish we could be more than friends,

**F#m7** **B7**

Tell me do you know?

**Bm7**

Tell me do you know?

**Bb7+**

oh..

**A7+** **D7sus4** **C7+** **E4/7**

I get so breathless, when you call my name,

**A7+** **D7sus4** **C7+** **E4/7**

I ve often wonderd, do you feel the same?

**A7+** **D7sus4**

There s a chemistry, energy, synchronicity

**C7+** **E4/7**

When we re all alone,

**F7**

So don t tell me

**E7**

You can t see

(pausa) **A7+** **D7sus4** **C7+** **E4/7**

What im thinking of.

**A7+** **F#m7** **B7**

I can understand that you don t want to cross the

**Bb7+**

line,

**A7+** **F#m7**

and you know I can t promise you things,

**B7** **Bb7+**

will turn out fine,

**A7+** **F#m7** **B7** **Bb7+**

But i have to be honest, I want you to be mine

**F#m7** **B7**

Tell me do you know?

**Bm7**

Tell me do you know?

**Bb7+**

oh..

**A7+ D7sus4 C7+ E4/7**

(pausa) Oh!

**Dm7 E7 A7+**  
Cause I ve tried to do this right in your own time

**Dm7 E7**  
I ve been telling with my eyes, my heart s on fire,  
**A7+**

Why don t you realize?

**F#m7 B7**  
Tell me do you know?

**Bm7 Bb7+**  
Tell me do you know?  
(pausa) **A7+**  
I get so breathless...

**C7+ E4/7**

When we re all alone,  
**F7**

So don t tell me

**E7**  
You can t see  
(pausa) **A7+**  
Why don t think in ?

**A7+ D7sus4 C7+ E4/7**
