Corinne Bailey Rae

-CORINNE BAILEY RAE-

-Paris nights, New York mornings-

Use bar chords everytime and it will sound better.

At the more quiet parts, like Pre-Chorus and Bridge, pick randomly the strings, like an arpeggio, and it will sound full.

HOPE YOU ENJOY, AND PLEASE RATE IT.

I could see the lights from the restaurant

Kissed me in the rain by the Rue Voltaire

It's a perfectly good way to ruin those silk shoes

Nothing but

It's enough to make your heart sigh

We should try

For each other and for the lovers
