Tender is the light that shines on you

C F G Am

Gentle is the morning made anew

Am F G F

Delicate the grace we ve come into

G C My love

[Verse]

C F G C

Wonder why you wish your life away

C F G Am

Waiting for the perfect boat to take

Am F G F

Waiting for the perfect wind to sail

G C Away

[Prechorus]

Rh i

Life s shining around

Am

Don t miss a day

G

If your caught up in the chase

Вh

You hold your happiness away from you

[Chorus]

C

Stop where you are

Δm

Under fading stars

G

This is the world we made and

F

There is no better place, its true

Light a fire where you are

[Verse]

С F G Underneath a blanket of the cold G Lying in the dark your seeds will grow F G Miracles just like a winter rose Will be [Verse] G C Give up all the things you can t control F Still yourself and watch them come and go F G Wherever you are you ll find you re home G C At last [Prechorus] Вb Everything Glitters around you Don t miss a day The moon on the lake Bb The smell in the air when it rains The people you can share with The feeling you get when you re G7 Almost there [Chorus] Stop where you are Under fading stars This is the world we made and There is no better place, its true Light a fire where you are Am You can t stop the wild wind roaring

But you can stop my poor heart from F
Calling out

Light a fire where you are

[Chorus]

C

Stop where you are

Δm

Under fading stars

G

This is the world we made and

F

There is no better place, its true

Light a fire where you are
