Intro: **G C Am7 D G C Am7 D**

Verse 1: **G C Am7 D**

I woke up this morning  
Feeling kind of blue  
and I stumbled out of bed and  
dragged my feet across the room  
Right outside my front door was a rose  
and a note that said Somebody Loves You

Verse 2: **G C Am7 D**

But out on the street it starts to pour  
and before I get soaking wet,  
A total stranger runs to give me  
and took the jacket off his back  
I turn around to thank him  
But he waves me with a smile

Pre-chorus: **Em D C Em D C D**

And I can hardly believe my eyes  
He puts on a halo and starts to fly

Chorus: **G C Am7 D**

Take a look at the ordinary  
Don't need to look for Paradise  
You could be next to  
an angel in disguise

Verse 3: **G C Am7 D**

I met a good friend for lunch  
and we had a delicious meal  
But I forgot to bring my wallet  
I felt like an imbecile  
But she was sweet, she gave me a treat and  
Bought me a chicken sandwich  
To take home for tea

Verse 4: **G C Am7 D**

But out on the street with nothing to eat  
A man and his shopping cart go  
Travelling to places  
Collecting social graces  
I give him my sandwich

and we chatter for a while

Pre-chorus 2: **Em D C Em D C D**

I see a rainbow wash over his eyes

He gives me his halo and

I start to fly

Chorus: **G C Am7 D**

Take a look at the ordinary

Don't need to look for Paradise

You could be next to

an angel in disguise
