If I kissed you

C F Dm G  
If I kissed you.

If I kissed you  
What would Michelangelo say  
Would he still have sculpted David  
Would we be immortalized in clay  
Would the poets write of love like ours  
Would John Donne have his say  
If I kissed you

G Am  
You could be one in a million  
F C  
You could be the one for me  
Dm C/E  
But I guess I ll never know if I never try  
F Dm G  
I guess I ll just have to grab you in my arms and kiss you.

If I kissed you  
Would you lose track of time

Running up your spine
