Intro

D G Em A D/E G Em A D/E G Em A

D G
If I kissed you
Em A
Would fireworks fly
D/E G
Would angels sing with lollipops
Em A
Would dinosaurs cry
D/E G Em A
Would babies all gurgle in laughter and surprise
D G Em A
If I kissed you.

If I kissed you
What would Michelangelo say
Would he still have sculpted David
Would we be immortalized in clay
Would the poets write of love like ours
Would John Donne have his say
If I kissed you

A Bm
You could be one in a million
G D
You could be the one for me
Em D/E
But I guess I ll never know if I never try
G Em A
I guess I ll just have to grab you in my arms and kiss you.

If I kissed you
Would you lose track of time
Would you feel a surge of happiness
Running up your spine
Bm A
Would you run naked in the street
G D/E Em G A
with a tattoo of my name on your behind

D G Em A

If I kissed you.

D/E G Em A

Oh, if I kissed you

D/E G Em A

Yeah, if I kissed you.
