Don t worry about that extra line

It s just a part of nature s way

To say you ve grown a little more
C **D**
Trees have rings and thicker branches
Em **G/B**
Kids shoes get a little tighter
Am7 **G** **G/B** **C**
Every year we re getting closer to who we re gonna be

It s time to celebrate the story of how you ve come to be

Happy birthday my friend
Am **G/B**
Here s to all the years we ve shared together

All the fun we ve had

 For every heart and every soul
 Am7 **G/B**
 You've known to grow a little more
C **D**
 A few more pounds, a little more grey
 Em **G/B**
 Don't count the years just count the way

 It takes a little time to go from water into wine

 Don't ever lose the wonder of the child within your eyes
