[Verse]

F C Am G
Your presence is all I am longing for
F C G
Here in the secret place
F C Am G
Your nearness is all I am waiting for
F C G
Here in the quiet place,
F C G
Here in the secret place
F C G Am F
My soul waits for You alone
F C G Am G
Like the watchmen wait for dawn
F C G Am F
Here Iâ€™ve finally found the place
F C G Am G
Where weâ€™ll meet, Lord, face to face

[Chorus 1]

F C
Iâ€™ve finally found where I belong,
G Am
Iâ€™ve finally found where I belong in Your presence
F C
Iâ€™ve finally found where I belong,
G
To be with You, to be with You

[Chorus 2]

F C
I am my Belovedâ€™s and He is mine,
G Am
So come into Your garden and take delight in me
F C G
Take delight in me
