Survivor Blues - Cory Branan - Mutt
Standard tuning
Capo 2

These chords here are the way Cory plays it in the after hours version.
For the full band version, just transpose the chords into G major (same capo).

Intro: **Am, G, F**

First verse:

G **Am**
She wondered once about her luck
G **F**
Put out her match with a tear
F **C** **G** **C**
She said I m bored to death and born to,
F(add9)
Look, you want way the hell away from here?
G **Am**
He said you don t look that tough to me
G **F(add9)**
Leaned and lit a cigarette
F **C** **G** **C**
How bout you wait and see just what you regret
Am **G** **F**
Until we get what we get
Am **G** **F**
Until we get what we get

Chorus:

G **Am**
They say it makes you stonger
F **C** **G** **C**
But first you gotta survive
F **G** **C**
What didn t kill you will make you wish you died
F **G** **Am** **G** **F**
What didn t kill you will make you wish you died

Second verse:

G **Am**
She struggled to read his knuckle tattoos
Am **G** **F(add9)**
Beneath the ring and the scar

But the left said love and the right read true

She said please say you got a car

It s parked out back

It s pointed out of state

It s a recent acquisition we should probably ditch the plates

And it won t get you far enough to ever lose track

But yeah it s plenty car enough for never coming back

Chorus:

They say it makes you stonger

But first you gotta survive

What didn t kill you will make you wish you died

What didn t kill you will make you wish you died

Am, G, Fadd9

Middle 8:

Yellow duffel in the seat back yonder

Bunch of pretty junk I bought her

It s yours if you want

Either to you or the flames

But to me it s the same

She said no thanks man my baggage is packed

The name on my ankle with this knife in my back

I know a place on the way out of town

It s as good as burned down

It s as good as burned down

Am

It s as good as...

Final chorus:

G **Am**
They say it makes you stonger

F **C** **G** **C**
But first you gotta survive

F G C
What didn t kill you

F G C
What didn t kill you

F **C** **F** **Am** **G** **F**
What didn t kill you will make you wish you died

Outro:

Am
You call that a scar

G **C**
A bruise, **A** tear

F **G**
Pillowmarks

F
Souvenirs

G **Am**
Sou-venirs
