Oh stealing from me love

Oh come for me lover when the clouds come down
Steal away through the mist when no ones around
I can see it on your face that you re dying inside
Only so much somebody can hide, I know
Oh lord I know

And you re already stealing from me
already stealing from me
already stealing from me love (2x)
Oh, stealing from me love

Well reach for me darling through that dark tree line
Take me home to the woods in the back of my mind

Well press through the needles, add brush to the flame
Then burn like the smoke in the back of my brain, oh lord
Oh lord I m gone

And you re already stealing from me
already stealing from me
already stealing from me love (2x)
