

**Take Me Away**  
**Cory Morrow**

Great song and I couldn't find the lyrics or chords anywhere so I figured them out to the best of my ability. Let me know if any corrections need to be made. I couldn't figure out what was supposed to go where the F#m is, that is the closest chord I can find, so let me know if you get it. Thanks, Enjoy!

Without her memory fillin up my mind
