

Melanie

Cosmic Rough Riders

D **G**
I think Melanie s great
D **G**
But I miss you
D **G**
I hate living this way
D **G**
Without you
D **G**
Well I think Melanie s great
D **G**
But I miss you

D **G**
Flying out to New York
D **G**
To be with you
D **G**
Customs at JFK
D **G**
Wouldn t let me through
D **G**
They put me back on the plane
D **G**
What can I do?

Em
They say you need a reason
A
A someone to believe in
G
I said my only reason was you
Em
Yeah I got a reason
A
To breath out and to breath in
G **A**
I only wish that I could get through

D **G**
Flying out to New York
D **G**
To be with you
D **G**

Customs at JFK

Wouldn't let me through
They put me back on the plane
What can I do?

They say you need a reason
A someone to believe in
I said my only reason was you
Yeah I got a reason
To breath out and to breath in
I only wish that I could get through

I was unsure if I wanted to stay
I never shoulda let you go
All I know is I need you today
I don't know how to let you know

I think Melanie's great
But I miss you
I hate living this way
Without you
Well I think Melanie's great
But I miss you

They say you need a reason
To breath out and to breath in
(Repeat last two lines to fade)
