

Blood Red Sentimental Blues
Cotton Jones

should be about right. sounds better when you tune your guitar 1 step down and adjust the chords relative to the tuning, but it works in standard just fine.

so one step down it would be:

```
d---0-----0--|
A---1-----1--|
F---0-----2--|
C---2-----3--|
G---3-----3--|
D---3-----1--|
```

Bb/F Ebmaj7

Enjoy!
