B   x24442
F#   244322
G#m 466444
Ebm x68876
E   022100

Intro: **B F# G#m Ebm E F#**(hold)
B F# G#m Ebm E F#

Verse 1:
B   **E**
  So how could I go on
                         B
and where did we go wrong
can someone give
    F#
me answers maybe
B
  the way you looked
in that dress
E
  so obviously selfish
B
  can you just wake me in
     F#
the end because I am

Chorus 1:
B   **F#**   **G#m**
  Taking it all back   that s
      Ebm
every word that I said
E
  for every word that you could
F#   **B**

```
never get the nerve to say
          F#
taking it all back that s
      Ebm         E
every promise I made
for every promise you could
F#                        B   E
never get the nerve to say
                        B   F#
never get the nerve to say

Verse 2:
B                         E
  and tell me when you leave
                  B
so I can finally breathe
                      F#
though suffocating isn t so bad
B
  blood stains all over your bed
E
  like finger nails down my back
B
  can you just wake me
        F#
in the end because i am

Chorus 2:
B           F#        G#m
  Taking it all back   that s
      Ebm
every word that I said
E
  for every word that you could
F#                        B
never get the nerve to say
          F#
taking it all back that s
      Ebm         E
every promise I made
for every promise you could
F#                        B   E
never get the nerve to say
                      B   F#(hold) Ebm(hold)
never get the nerve to say

Bridge:
G#m
    This world can
E
```

```
swallow you whole
      F#
but I will never
be taken alive
(Repeat)

Interlude:  B F# G#m Ebm E  F#(hold)

Chorus 3:
B            F#         G#m
  Taking it all back    that s
        Ebm
every word that I said
E
  for every word that you could
F#                         B
never get the nerve to say
          F#
taking it all back that s
        Ebm         E
every promise I made
for every promise you could
F#                         B  E
never get the nerve to say
                       B  F# B   B(hold)
never get the nerve to say
```
