Intro: **F Bb Gm Bb F Bb Gm**

Bb F C Gm
A long December and there s reason to believe
Bb F Bb
Maybe this year will be better than the last
Gm Bb F C
I can t remember the last thing that you said
Gm
as you were leavin
F Bb
Now the days go by so fast
F Bb Gm Bb
And it s one more day up in the canyons
F Bb Gm Bb
And it s one more night in Hollywood
F Bb Gm F
If you think that I could be forgiven...I wish you would
Bb Gm Bb
nananananananana..

The smell of hospitals in winter
And the feeling that it s all a lot of oysters, but no pearls
All at once you look across a crowded room
To see the way that light attaches to a girl

And it s one more day up in the conyons
And it s one more night in Hollywood
If you think you might come to California...I think you should

Drove up to the Hillside Manor sometime after two a.m.
And talked a little while about the year
I guess the winter makes you laugh a little slower
Makes you talk a little lower about
the things you could not show her

And it s been a long December and there s reason to believe
Maybe this year will be better than the last
I can t remember all the times I tried to tell myself
To hold on to these moments as they pass

And it s been one more day up in the canyon
And it s one more night in Hollywood
It s been so long since I ve seen the ocean...I guess I should
