F Bb Gm F
If you think that I could be forgiven...I wish you would
Bb Gm Bb
nanananananananana..

The smell of hospitals in winter
And the feeling that it s all a lot of oysters, but no pearls
All at once you look across a crowded room
To see the way that light attaches to a girl

And it s one more day up in the conyons
And it s one more night in Hollywood
If you think you might come to California...I think you should

Drove up to the Hillside Manor sometime after two a.m.
And talked a little while about the year
I guess the winter makes you laugh a little slower
Makes you talk a little lower about
the things you could not show her

And it s been a long December and there s reason to believe
Maybe this year will be better than the last
I can t remember all the times I tried to tell myself
To hold on to these moments as they pass

And it s been one more day up in the canyon
And it s one more night in Hollywood
It s been so long since I ve seen the ocean...I guess I should
