(ADAEADF#mBD)
   So she said what s the problem baby
                                                                                                                                                                             F#m
   What s the problem I don t know well maybe I m in love (love)
```

```
Think about it every time I think about it
Can t stop thinking bout it
How much longer will it take to cure this
                                               F#m
Just to cure it cause I can t ignore it if it s love (love)
Makes me wanna turn around and face me
But I don t know nothing bout love
    (B)
                D
Come on, come on, turn a little faster
        (B)
Come on, come on, the world will follow after
                     D
        (B)

Come on, come on, cause everybody s after lo...ve
Α
So I said I m a snowball running
Running down into the spring that s coming all this love
Melting under blue skies
Belting out sunlight shimmering love
         D
Well baby I surrender to the strawberry ice cream
Never ever end of all this love
Well I didn t mean to do it
But there s no escaping your love
F#m
These lines of lighting
                                                              D
                                            Bm
Mean we re never alone, never alone, no, no
       (B)
               D
(A)
Come on, come on, move a little closer
             D
Come on, come on, I want to hear you whisper
                 D
        (B)
                              \mathbf{E}
Come on, come on, settle down inside my lo...ve
(A)
       (B)
                 D
Come on, come on, jump a little higher
(A)
        (B)
                        D
Come on, come on, if you feel a little lighter
