

All My Friends
Counting Crows

Dm **Bb**
Thought I might get a rocket ride
F
When I was a child,
C
But it was a lie.
Dm **Bb** **F** **A**
That I told myself when I needed something good.
Dm **Bb**
At 17 had a better dream
F **C**
Now I m 33, and it isn t me.
Dm **Bb** **A**
But I d think of something better if I could.

Gm **A**
All my friends and lovers
Dm **G**
Will leave me behind,
Bb **F** **A**
And I m still looking for a girl.
Gm **A**
One way or another
Dm **G** **Bb**
I m just hoping to find a way
F **Bb**
To put my feet out in the world.

Dm **Bb**
Caught some grief from a falling leaf
F **C**
As she tumbled into the dirty ground,
Dm **Bb** **F** **A**
And said I should have put her back there if I could.
Dm **Bb**
Well everyone needs a better day,
F **C**
And I m tryin to find me a better way.
Dm **Bb** **A**
To get through the things I do and the things I should.

Gm **A**
All my friends and lovers
Dm **G**
Will leave me alone.
