

All My Friends
Counting Crows

Ebm **B**
Thought I might get a rocket ride
F#
When I was a child,
C#
But it was a lie.
Ebm **B** **F#** **Bb**
That I told myself when I needed something good.
Ebm **B**
At 17 had a better dream
F# **C#**
Now I m 33, and it isn t me.
Ebm **B** **Bb**
But I d think of something better if I could.

G#m **Bb**
All my friends and lovers
Ebm **G#**
Will leave me behind,
B **F#** **Bb**
And I m still looking for a girl.
G#m **Bb**
One way or another
Ebm **G#** **B**
I m just hoping to find a way
F# **B**
To put my feet out in the world.

Ebm **B**
Caught some grief from a falling leaf
F# **C#**
As she tumbled into the dirty ground,
Ebm **B** **F#** **Bb**
And said I should have put her back there if I could.
Ebm **B**
Well everyone needs a better day,
F# **C#**
And I m tryin to find me a better way.
Ebm **B** **Bb**
To get through the things I do and the things I should.

G#m **Bb**
All my friends and lovers
Ebm **G#**
Will leave me alone.
