

All My Friends
Counting Crows

C#m **A**
Thought I might get a rocket ride
E
When I was a child,
B
But it was a lie.
C#m **A** **E** **G#**
That I told myself when I needed something good.
C#m **A**
At 17 had a better dream
E **B**
Now I m 33, and it isn t me.
C#m **A** **G#**
But I d think of something better if I could.

F#m **G#**
All my friends and lovers
C#m **F#**
Will leave me behind,
A **E** **G#**
And I m still looking for a girl.
F#m **G#**
One way or another
C#m **F#** **A**
I m just hoping to find a way
E **A**
To put my feet out in the world.

C#m **A**
Caught some grief from a falling leaf
E **B**
As she tumbled into the dirty ground,
C#m **A** **E** **G#**
And said I should have put her back there if I could.
C#m **A**
Well everyone needs a better day,
E **B**
And I m tryin to find me a better way.
C#m **A** **G#**
To get through the things I do and the things I should.

F#m **G#**
All my friends and lovers
C#m **F#**
Will leave me alone.
