Eb G# Fm G#
If I could make it rain today
Eb G# Fm Bb
And wash away this sunny day down to the gutter
Eb G# Fm G#
I would. Just to get a change of peace
Eb G# Fm Bb
Things are getting worse, but I feel a lot better.
C# G# Eb
And that s all that really matters to me.

Eb G# Fm G#
Well, Amy hit the atmosphere,
Eb G# Fm Bb
Caught herself a rocket ride out of this gutter,
Eb G# Fm G#
And she s never coming back, I fear.
Eb G# Fm Bb
Anytime it rains she just feels a lot better,
C# G# Eb
And that s all that really matters to me.

We ve waited so long
G# Eb Bb
For someone to take us back home.
Gm Cm
It just takes so long.
G# Eb G# Eb
Meanwhile all the days go drifting away,
G# Eb Cm F
And some of us sink like a stone
G# Bb Eb
Waiting for mothers to come.

Eb G# Fm G#
There has to be a change, I m sure.
Eb G# Fm Bb
Today was just a day fading into another,
Eb G# Fm G#

And that can t be what a life is for.

Eb G# Fm Bb

And anything she said well she feels a lot better

C# G# Eb

And that s all that really matters to me.
