I never go to New York City these days
 Something about the buildings and Chelsea just kills me
 And maybe in a month or two, maybe when things are different for me
 maybe when things are different for you
 And all of this shit sticks in my head

Chorus:

Gm Csus2/G Bb Gm Bb Bbsus2
 Is anything different these days?
 Gm Bb
 The light in her eyes goes out I never had light in my eyes anyways
 But maybe things are different these days
 It s good for everybody to hurt somebody once in a while
 The things I do to people I love shouldn t be allowed
 Something about the buildings and Chelsea just kills me
 Something about the buildings and Chelsea just kills me
 Is anything different these days? The light in her eyes goes out
 I never had light in my eyes anyways But maybe things are different these days
 I dream I m in New York City some nights
 I dream I m in New York City some nights. Angels flow down from all the buildings
 Something about an angel just kills me I keep hoping something will
 Is there anything different these days? The light in her eyes goes out,
 I never had light in my eyes anyways Maybe things are, maybe maybe maybe
 Maybe things are, maybe maybe maybe maybe things are different,
 Maybe things are different these days The light goes out
 I never had light in my eyes anyways Maybe things are different.....these days
