

Four Days

Counting Crows

[D] All I want is something [Em] good
It gets harder every [D] time
She is leaving here to[Em]night
Take a breath
Take your [Csus] time
Spread your wings and rise [D]
[D]Make a mark upon the [Em] wall
Paint your face and pass the [D] time
Close your eyes and she as[Em]cends
Hold your breath and ease your [Csus] mind
Forty thousand times [D][Csus]
Time fades into the night[C]
They descend and then they [Em] climb
[C] Feathers falling through the [Em] night
[C] Have you seen Ohio [Em] rise?
[C] It has been four days and four [D] nights
[D]All I want is something [Em] fine
It gets harder every [D] time
She is sleeping far a[Em]way
Take a breath
Take your [Csus] time
Spread your wings and rise [D]
[Csus] Rise into the black Ohio skies
