

**Four Days**

**Counting Crows**

[C] All I want is something [Dm] good  
It gets harder every [C] time  
She is leaving here to[Em]night  
Take a breath  
Take your [Bbsus] time  
Spread your wings and rise [C]  
[C]Make a mark upon the [Dm] wall  
Paint your face and pass the [C] time  
Close your eyes and she as[Em]cends  
Hold your breath and ease your [Bbsus] mind  
Forty thousand times [C][Bbsus]  
Time fades into the night[Bb]  
They descend and then they [Em] climb  
[Bb] Feathers falling through the [Dm] night  
[Bb] Have you seen Ohio [Dm] rise?  
[Bb] It has been four days and four [C] nights  
[C]All I want is something [Dm] fine  
It gets harder every [C] time  
She is sleeping far a[Em]way  
Take a breath  
Take your [Bbsus] time  
Spread your wings and rise [C]  
[Bbsus] Rise into the black Ohio skies
