

Four Days

Counting Crows

[C#] All I want is something [Ebm] good
It gets harder every [C#] time
She is leaving here to[Em]night
Take a breath
Take your [Bsus] time
Spread your wings and rise [C#]
[C#]Make a mark upon the [Ebm] wall
Paint your face and pass the [C#] time
Close your eyes and she as[Em]cends
Hold your breath and ease your [Bsus] mind
Forty thousand times [C#][Bsus]
Time fades into the night[B]
They descend and then they [Em] climb
[B] Feathers falling through the [Ebm] night
[B] Have you seen Ohio [Ebm] rise?
[B] It has been four days and four [C#] nights
[C#]All I want is something [Ebm] fine
It gets harder every [C#] time
She is sleeping far a[Em]way
Take a breath
Take your [Bsus] time
Spread your wings and rise [C#]
[Bsus] Rise into the black Ohio skies
