G

Well I feel just like a freight train baby, running out of steam.

Em7

I wanna go on down to New York town, but I m stuck in between.

ת

And I could stay on here at home alone and have myself to thank,

C

But I just made a billion dollars and I don t wanna put it in the bank,

D

So if you call...

G

we could go to town.

Well dear mom,

if you could see me now here underneath the lights

Em7

I gotta keep em on from dusk to dawn and everything s alright.

D

I met a girl with autumn in her eyes and summer in the way

C

She makes me feel

like I was only born today or yesterday,

D (

And if she calls...

Am

we could go to town. But everybody here

- . .

hates everything I say,

Em

and girl I just don t know if I can last another day.

 $\mathbf{Am}$ 

So I guess I m going back,

```
\mathbf{Bm}
back where I belong,
I hope you come along
before I get back on that train that takes me...
home from New York City
to the things I left behind
           Em7
And though I ain t got no money girl
, I ll always have the time.
     D
But I wish that you would hurry,
I hope you get here soon
            C
                         Csus
cause I just sold the sky to the sun
          Am7
                          G
so I could buy for you the moon.
          D C
And if you call...
             G
we could go to town. So if you call...
            D C
yeah, if you call...
            D C
girl, if you call...
we could go to town.
```
