

**I'm Not Sleeping  
Counting Crows**

intro

p.m. **F#5**

**E5**                                    **B5**                                    **F#5**  
she comes to me at night when im sleeping

**E5**                    **B5**                                    **F#5**  
she comes to me when im alone

she comes to me    she hold my head when im crying

she comes to me    she shuts my eyes

she brings me home

**F#5**    **B5**                                    **F#5**  
but im not sleeping anymore....anymore

but im not sleeping anymore....anymore

**E5**                                    **B5**                                    **F#5**  
she tells me when you look at me

she tells me when your lying

she tells me when you talk about me

she lays me on the floor

she tells me when your wispering she lys beside me naked

she tells me when you laugh at me and she locks all the doors

but im not sleeping
