Intro: **E A**

E A

E **A**
What s that that makes you want to be lonely?

E **A**
What s that that keeps you sitting at home ?

E **A**
He d always say no no no as if he wanted you to be hungry.

E **A**
Well the same things you re missing could get you into something else.

B **A**
Better leave when to stay is only nothing but being alone.
What I wanted you to know

E **Dadd9**
is Kid things seem like nothing at all.

A **G**
Kid things make it better than it was.

E **Dadd9**
Kid things seem like nothing at all.

A **G**
Kid things make it better than it was.

E **A**
Hey what you got that makes you wanna be lonely?

E **Dadd9** **A**
Hey what you got that makes it a better way to be?

E **A**
She said no no no can t get any lovin it s a Sunday.

E **A**
I said oh yeah, what makes you think I wanted it that way.

B
Cause one and two more smiles from you and

A
I don t need anything else.
What I wanted you to know

E **Dadd9**
is Kid things seem like nothing at all.

A **G**
Kid things make it better than it was.

E **Dadd9**
We re just kids, we spend all night on the phone

A **G**
It s a kid thing, but I sleep better when I m not alone.

And what I want right now

F#m A

Is just some more heart. Give me more!

And what you think is you re not getting any younger.

What I know is that you re not really very old.

Well I know you wanna say no no no and it feels much better in the summer.

Well if it isn t warm where you re sitting then Kitten come on in out of the cold.

Cause all I know is that when I m with you I don t anything else.

What I wanted you to know is

Kid things seem like nothing at all

And kid things make it better than it was

We re just kids, we spend all night on the phone.

It s a kid thing so I sleep better when I m not alone.

Kid things seem like nothing at all,

And kid things make it better than it was.

We re just kids, it s just like driving a car.

It s a kid thing and the fool who d rather come through and

E

You are
