```
            Am                    G             F
I feel like jumping through the keyhole in your door
            Am                    G          F
I feel like jumping through the keyhole in your door
      Am                G  F                          Am  G   F
If you jump this one time baby, you won t jump no more

            Am                G      F
I feel like falling from a treetop to the ground
            Am                G        F
I feel like falling from a treetop to the ground
   Am            G     F                       Am        G  F
My rider s got a mean joker and he don t allow me around

            Am            G            F
I go there early in the morning, and I go there late at night
            Am            G              F
I go there early in the morning, and I go there late at night
       Am                G
Don t care how late I go there,
                           Am      G    F
he never never turns out the light

    Am                 G                      F
I believe he s looking for me, he s up all hours of the night
      Am                 G                  F
I believe he s looking for me, he s up all hours of the night
    Am            G    F                           Am   G   F
She used to be my rider and he ain t treating her right
    Am            G    F                           Am   G   F
She used to be my rider and he ain t treating her right
            Am        G              F
I met this joker one morning, he was out on the edge of town
            Am        G              F
I met this joker one morning, he was out on the edge of town
       Am                  G      F                    Am    G      F
I had to beg and plead just to keep him from blowing me down

                    Am     G    F
```

```
I got the mean jumper blues
                          Am   G   F
I got the mean jumper blues
                          Am   G   F
I got the mean jumper blues

           Am                      G             F
I feel like jumping through the keyhole in your door
           Am                      G         F
I feel like jumping through the keyhole in your door
      Am        G      F                    Am   G   F
If you jump this one time baby, you won t jump no more
      Am        G      F                    Am   G   F
If you jump this one time baby, you won t jump no more
      Am            G      F
If you jump this one time baby,
    Am            G      F
Just jump this one time baby
    Am            G     F                   F(Hold)
Just jump this one time baby

(No chord)          Am   G   F
You wont jump no more

                     Am    G   F
I got the mean jumper blues
                     Am    G   F
I got the mean jumper blues
                     Am    G
I got the mean jumper blues

End on F
