All your love is just a dream, dream, dream

Are you happy when you're sleeping?

Does he keep you safe and warm?

Does he tell you when you're sorry?

Does he tell you when you're wrong?

I've been watching you for hours

It's been years since we were born

We were perfect when we started

I've been wondering where we've gone

All your life is such a shame

All your love is just a dream

I dreamt I saw you walking up a hillside in the snow

Casting shadows on the winter sky as you stood there counting crows

Bb

There's a bird that nests inside you

Sleeping underneath your skin

When you open up your wings to speak
I wish you d let me in

All your life is such a shame
All your love is just a dream
Open up your eyes
You can see the flames of your wasted life
You should be ashamed
You don t want to waste your life
