

Rain King

Counting Crows

(verso)

D **A/C#**
When I think of heaven
Bm **A** **D**
Deliver me in a black-winged bird
A/C# **Bm** **A** **D** **A/C#**
I think of flying down into a sea of pens and feathers
Bm **A** **D** **A/C#**
And all other instruments of faith and sex and God
Bm **A**
In the belly of a black-winged bird.
Bm **G**
Don't try to feed me
Bm **G**
I've been here before
D **E**
And I deserve a little more

(refrão)

A **Bm** **D** **E** **A**
I belong in the service of the Queen
A **Bm** **D** **E** **A**
I belong anywhere but in between
A **Bm** **D** **E**
She's been crying and I've been thinking
A **Bm** **D** **E**
And I am the Rain King

(verso)

E **D** **A/C#** **Bm** **A**
And I said mama, mama, mama, why am I so alone?
D **A/C#**
I can't go outside
Bm **A**
I'm scared I might not make it home
D **A/C#**
I'm alive, I'm alive
Bm **A**
But I'm sinking in
D **A/C#**
If there's anyone at home at your place, darling
Bm **A**
Why don't you invite me in?
Bm **G**
Don't try to bleed me
Bm **G**
I've been there before

D **E**
And I deserve a little more

(refrão)

A Bm D E A
I belong in the service of the Queen
A Bm D E A

After all the dreaming I come home again
