Couple - Turning Melancholy To Magic

D Em

Iâ€™m trying to turn melancholy to magic

A D

Iâ€™m trying to make some sense out of it all

D Em

Iâ€™d like to think that all this madness is good

A D

Or did I just set myself up for a fall?

Em

I donâ€™t think so

A D

I donâ€™t think so

D Em

All this heartbreakâ€™s left me in a stupor

A D

I donâ€™t want to be like this forever

D Em

I longed so long for happiness to creep in

A D

And relieve me from this lifetime of pain

Em

I donâ€™t think so

A D

I donâ€™t think so
