

**Fall Like Rain**  
**Courtney Cole**

[Verse]

**G** **D/F#**  
I don t understand  
**Em7**  
But I can hear you talk  
**Em7** **Cadd9**  
You let go of my hand here on the sidewalk  
**G** **D/F#**  
Your lips are cold here on my skin  
**Em7**  
Everything s a blur  
**Cadd9**  
Rolling off your lips are all your empty words  
**G** **D/F#**  
Just fall like rain  
**Em7** **Cadd9**  
Fall like rain

[Chorus]

**G** **D/F#**  
Scattered million little pieces on the pavement  
**Em7**  
Hasn t even made it down the drain yet  
**Cadd9**  
I haven t felt the worst of the pain yet ut I know it s gonna come  
**G** **D/F#**  
You say you love me and you leave me in the same breath  
**Em7**  
My heart on my sleeve but now it s stained red  
**Cadd9**  
It s too late to hold back now Gonna open up the clouds  
**G** **D/F#**  
and let it fall like rain  
**Em7** **Cadd9**  
Fall like rain

[Verse]

**G** **D/F#**  
I had forever here  
**Em7**  
Right before my eyes  
**Cadd9**  
Now it s just fading pair of taillights  
**G**  
Everything you told me we would be  
**D/F#**

Everything I thought that we would do

**Em7**

I don't want to make myself believe that

**Cadd9**

Everything I ever had with you is

[Chorus]

**G**

**D/F#**

Scattered million little pieces on the pavement

**Em7**

Hasn't even made it down the drain yet

**Cadd9**

I haven't felt the worst of the pain yet but I know it's gonna come

**G**

**D/F#**

You say you love me and you leave me in the same breath

**Em7**

My heart on my sleeve but now it's stained red

**Cadd9**

It's too late to hold back now Gonna open up the clouds

**G**

**D/F#**

and let it fall like rain

**Em7**

**Cadd9**

Fall like rain

[Bridge]

**G**

**D/F#**

Oh oh why'd you have to go

**Em7**

**Cadd9**

Oh oh why'd you have to go

[Outro]

**G**

**D/F#**

You say you love me and you leave me in the same breath

**Em7**

My heart on my sleeve but now it's stained red

**Cadd9**

It's too late to hold back now, gonna open up the clouds

**G**

**D/F#**

and let it fall like rain

**Em7**

**Cadd9**

Fall like rain
