

Easy
Cowboy Mouth

fun song to play

verse: play chords, then mute the strings.

Bb5 Bb5	G#5 G#5
I once had a friend who	met an early end to
Eb5 Eb5	Bb5 Bb5
a kind of modern way of thinking	
Bb5 Bb5	G#5 G#5
He wasn't taken from us	yeah he's still among us
Eb5 Eb5	Bb5 Bb5
but he lived for drugs and drinking	
Bb5 Bb5	G#5 G#5
He liked to point the finger	his accusations linger
Eb5 Eb5	Bb5 Bb5
a deeper part of every action	
Bb5 Bb5	G#5 G#5
He loved to play the game where	he's disperse the blame for
Eb5 Eb5	Bb5 Bb5
every deep dissatisfaction	

chorus (full chords - i play em as barres):

Bb	
easy to bitch, easy to whine	
G#	
Easy to moan, easy to cry	
Eb	Bb
easy to feel like there ain't nothing in your life	
Bb	
it's harder to work, harder to strive	
G#	
Hard to be glad to be alive	
Eb	Bb
But it's really worth it if you give it a try	

have fun. remember to rate. -drew
