Easy
Cowboy Mouth

fun song to play

verse: play chords, then mute the strings.
```
G#5 G#5                          F#5 F#5
      I once had a friend who      met an early end to
C#5 C#5                          G#5 G#5
     a kind of modern way of thinking
G#5 G#5                          F#5 F#5
     He wasn t taken from us       yeah he s still among us
C#5 C#5                          G#5 G#5
     but he lived for drugs and drinking
G#5 G#5                          F#5 F#5
     He liked to point the finger     his accusations linger
C#5 C#5                          G#5 G#5
     a deeper part of every action
G#5 G#5                               F#5 F#5
     He loved to play the game where    he s disperse the blame for
C#5 C#5                          G#5 G#5
     every deep dissatisfaction
```

chorus (full chords - i play em as barres):
```
      G#
easy to bitch, easy to whine
       F#
Easy to moan, easy to cry
        C#                                G#
easy to feel like there ain t nothing in your life
        G#
it s harder to work, harder to strive
        F#
Hard to be glad to be alive
               C#                         G#
But it s really worth it if you give it a try
```

have fun. remember to rate.   -drew
