verse: play chords, then mute the strings.

B5 B5 **A5 A5**
I once had a friend who met an early end to

B5 B5 **A5 A5**
He wasn't taken from us yeah he's still among us
E5 E5 **B5 B5**
but he lived for drugs and drinking
B5 B5 **A5 A5**
He liked to point the finger his accusations linger
E5 E5 **B5 B5**
a deeper part of every action
B5 B5 **A5 A5**
He loved to play the game where he's disperse the blame for
E5 E5 **B5 B5**
every deep dissatisfaction

chorus (full chords - i play em as barres):

B
easy to bitch, easy to whine

But it's really worth it if you give it a try
