Man on The Run

>From the album: Are You With Me?

Transcribed by: Kevin League

The intro takes a little practice to get right, but it sounds cool.

This is my favorite song off of Are You With Me?.

Verse 1:

```

           G                       D                       Cadd9 Cadd9/B
I ve got the desert in my eyes and the western skies on my mind.
G                       D                       Cadd9 Cadd9/B
Everywhere I look I see wide open country for miles.
G                       D                       Cadd9 Cadd9/B
Out in the distance, a mountain the size of the sun.
G                       D                       Cadd9
I ain t drivin nowhere, I feel like a man on the run.
Get gone!(intro riff)
