**Eb**      **G#**                      **Eb**  
Oh my word what could it be  
**Eb**      **G#**                      **Eb**  
Is it love or is it me  
**Bb7**  
That makes me change so suddenly  
**Cm**                      **G#**      **Eb**  
Looking out feeling free

Sit here lying in my bed  
Wondering what is was I d said  
Made me think I d lost my head  
When I know I d lost my heart instead

Chorus:  
**Eb/C**              **G#**                      **Eb**              **Fm**  
Won t you please read my signs be a gypsy  
**Fm**              **G#**                      **Eb**              **Fm**  
Tell me what I hope to find deep within me  
                    **G#**                      **Eb**                      **Cm**              **G#** **Eb**  
Because you can t see my mind please be with me

Of all the better things I ve heard  
Loving you has made the words  
And all the rest seems so absurd  
In the end it all comes out I m sure
