Is it love or is it me

**G#7**

That makes me change so suddenly

**Bbm**                      **F#**      **C#**

Looking out feeling free

Sit here lying in my bed  
Wondering what is was I d said  
Made me think I d lost my head  
When I know I d lost my heart instead

Chorus:

**C#/C**      **F#**                      **C#**                      **Ebm**

Won t you please read my signs be a gypsy

**Ebm**      **F#**                      **C#**                      **Ebm**

Tell me what I hope to find deep within me

**F#**                      **C#**                      **Bbm**                      **F# C#**

Because you can t see my mind please be with me

Of all the better things I ve heard  
Loving you has made the words  
And all the rest seems so absurd  
In the end it all comes out I m sure
