Build me a boat deep in your heart,

Am

On the currents of your soul, I will row, I will chart

Am

My journey will be, this story my own

C

Am

As we wander side by side into the great unknown

Am

Throw me a bone, cast me a line

C

G

Am

Light my cigarette and I will open your bottle of wine

Am

But I won't taste a drop, won't make a scene

C

G

Am

I will live my life on the edge of that gorgeous ravine

CHORUS:

E G

But oh, would it be to hold the sun?

C

Am

Oh, it ain't me, your light shines down on everyone

Sing me a tune about me and you
Sing of the holy road and the phases of the Aries moon
But don't string me along, don't shelter me where I stand
Yeah, I know what it's like to be the one with the hammer in your hand

CHORUS:

But oh, would it be to hold the sun?

Oh, it ain't me, your light shines down on everyone

My baby the sun

So, build me a boat deep in your heart
Hold me there forever more, long after we part
Cause I'm reading the birds, walking a line
You will live in me, my darlin', till the end of time

CHORUS:

But oh, would it be to hold the sun?

Oh, it aint me, your light shines down on everyone

My baby the sun
