My Baby The Sun
(Joe Stevens)
Originally recorded on Now Take Flight

Bm
Build me a boat deep in your heart,
 D **A** **Bm**
On the currents of your soul, I will row, I will chart
Bm
My journey will be, this story my own
 D **A** **Bm**
As we wander side by side into the great unknown

Bm
Throw me a bone, cast me a line
 D **A** **Bm**
Light my cigarette and I will open your bottle of wine
Bm
But I won't taste a drop, won't make a scene
 D **A** **Bm**
I will live my life on the edge of that gorgeous ravine

CHORUS:
 F# **A** **D** **E**
But oh, would it be to hold the sun?
 F# **A** **E** **D** **Bm**
Oh, it aint me, your light shines down on everyone

Sing me a tune about me and you
Sing of the holy road and the phases of the Aries moon
But don't string me along, don't shelter me where I stand
Yeah, I know what it's like to be the one with the hammer in your hand

CHORUS:
But oh, would it be to hold the sun?
Oh, it aint me, your light shines down on everyone
My baby the sun

So, build me a boat deep in your heart
Hold me there forever more, long after we part
Cause I'm reading the birds, walking a line
You will live in me, my darlin', till the end of time

CHORUS:

But oh, would it be to hold the sun?

Oh, it aint me, your light shines down on everyone

My baby the sun
