

The Moneys Gone
Coyote Grace

G G/C Em C
Look up at that building
G G/C Em C
It must be fifty stories tall
G G/C Em C
I see the water beyond the waves
G G/C C
I see it all

G G/C Em C
Moving round in the morning
G G/C Em C
Drink my coffee and tea

G G/C Em C
I remember how I thought it would be
G G/C C
A life for you and me

C Em G/C G G/C Em
If I can have anything I want

C Em G/C Em
If I can have it all
C D

Then I can take
G G/C Em
Knowing the way things are

Em Em G/C
Can't you see
G
The money's gone

G G/C Em C
I would buy you a house in Discovery Bay
G G/C Em C
With a deck, a boat, and a child
G G/C Em C
I would buy you back the blood you've lost
G G/C Em C
I'd buy us a little while
G G/C Em C
There's a park outside behind the freeway
G G/C Em C
I take a little ride
G G/C Em C

What we borrow comes from somewhere

G G/C Em C

No matter how we hide

C Em G/C G G/C Em

If I can have anything I want

C Em G/C Em

If I can have it all

G G/C Em C

Thereâ€™s a view stretching over Broadway

G G/C Em C

Above the noise and din

G G/C Em C

I know what I spent my money on

G G/C Em C

I know what state Iâ€™m in

G G/C Em C

Iâ€™ll head down to California

G G/C Em C

Iâ€™ll head out east someday

G G/C Em C

And Iâ€™m taking you for what you are

G G/C C

And Iâ€™ll be with you all along your way

C Em G/C G G/C Em

If I can have anything I want

C Em G/C Em

If I can have it all
