2nd verse

I know you feel you ve been cheated bad
I can feel it too, I can feel for you.
If I were crazy, I would take your life,
So you could go up there, and join your wife.
Old man you know it happens every day,
People come and people go.
Don t you hear me, what I m tryin to say,
Is I ll take care of you, man I swear that these are
Long Nights, Long Nights, Long Nights alone
Long Nights, Long Nights, Long Nights at home
