"Get Off This" by Cracker
I think all the words are right except the line I couldn t understand in
the first verse. The chords are as follows:
[tab]
        |||||| x____
C: 3rd \rightarrow xo|||o A: |||||| F: o|||oo also- the chord progression is C-Am-F
                                  substitute the Am for the A chord
  fret ||||| ||ooo|
                               *from lar in indiana
                            |oo|||[/tab]
        ||000| |||||
[tab] C
All these cats with leather jeans[/tab]
Dirty hair and titty rings[/tab]
Say whatcha see man, ya got these questions[/tab]
Is it true that you have sold your soul[/tab]
[tab] A
I said, "Hey, man I don t know, [/tab]
But ????? (couldn t understand this line) I understand! The lyric is as
follows:[/tab]
Give me a quarter, won t you, I ll call my accountant." *from lar
[tab]
                         C
chorus: Let s get off this[/tab]
[tab]
        Get on with it[/tab]
[tab]
        If you wanna change the world[/tab]
[tab]
        Shut your mouth, start this minute[/tab]
Funny little lie you told
Has come around the judgement stone
When all we re trying to do is make a fortune
Yeah we ain t got no government loans
And no one sends a check from home
```

But get this, we just do what we want

chorus x2

Well the guitar player s staying out
In Hollywood and saying
He s just trying to get some sleep
But everyone s complaining
Now you re truly deeply cynical
Cause boy you know I loved you so
When no one knew your name and you weren t pompous
