[Verse 1]

E
I don t know what the world may need
A
But I m sure as hell that it starts with me
D A E
and that s a wisdom, I ve laughed at
E
I don t know what the world may want
A
but a good stiff drink it surely don t
D A E
so I think I ll go and fix myself a tall one.

[Chorus]

E
Cause what the world needs now
A
is a new, kind, attention
D A E
cause the old one just bores me to death.

Cause what the world needs now
D A
is another folk singer
D A E
like I need a hole in my head.

[Verse 2]
(same as verse 1)

I don t know what the world may need
but a V-8 engine s a good start for me
think I ll drive and find a place to be surly.
I don t know what the world may want
but some words of wisdom could comfort us
think I ll leave that up to someone wiser.

[Chorus]
(same as above)

Cause what the world needs now
are some true world of wisdom
like la la la la la la la la la.
Cause what the world needs now
is another folk singer
like I need a hole in my head.

[Solo] (x2)

[Verse 3]
(same as verse 1)

I don t know what the world may need
and I ll never grasp its complexities
I d be happy just to get your attention
I don t know what the world may want
but your long sweet body lying next to mine
could certainly...raise my spirits.

[Chorus]
(same as above)

Cause what the world needs now
is a new Frank Sinatra
so I can get you in bed.
What the world needs now
is another folk singer
like I need a hole in my head.

Cause what the world needs now
is a new Frank Sinatra
so I can get you in bed.
What the world needs now
is another folk singer
like I need a hole in my head.
