

Grandma

Craig Cardiff

Artist - Craig Cardiff

1997 Album - Judy Garland! (You re never home...)

This is a great song, from great Canadian artist. I wish there was more of Craig's work out there. Hopefully I did this one justice.

This tab does not include the nuances of the song, such as the hammer-ons or pull-offs, if you listen to the song it's not hard to throw a few in to appropriate spots. I was some difficulty getting the chord letters over the correct lyrics for timing, so just have a listen to get that straight.

the C/B chord is

e - 0
B - 1
G - 0
D - 0
A - 2
E - x

Capo 3 - chords relative to capo

C C/B Am G

F C G
And everything's time must end
C C/B Am G
Well I thanked her for the checker games and all the coffee talk

I'm glad we had this chance to be friends

Guitar Solo (Verse Chords)

C C/B Am G
Grandma said to the boy, everything has its time
