VERSE 1

I never thought that I d fall in love, love, love, love
But it grew from a simple crush, crush, crush, crush
Being without you girl, I was all messed up, up, up, up
When you walked out, said that you d had enough-nough-nough

PRE-CHORUS

Been a fool, girl I know
Didn t expect this is how things would go
Maybe in time, you ll change your mind
Now looking back I wish I could rewind

CHORUS

Because I can t sleep til you re next to me
No I can t live without you no more
Oh I stay up til you re next to me
Til this house feels like it did before

Feels like insomnia ah ah, feels like insomnia ah ah
Feels like insomnia ah ah, feels like insomnia ah ah

VERSE 2

Remember telling my boys that I d never fall in love
Love, love, love
You used to think I d never find a girl I could trust
Trust, trust, trust
And then you walked into my life and it was all about us
Us, us, us
Now I m sitting here thinking I messed the whole thing up
Up, up, up

[PRE-CHORUS]

[CHORUS]

BRIDGE

B

G

[CHORUS]

Feels like insomnia ah ah, feels like insomnia ah ah
